Spring Sports Notebook

Spring 2021, Edition 2
(April 19-25, 2021)

Welcome to the second notebook of the Spring 2021 sports season. Like our previous Notebook series, our goal with this weekly communication is to highlight some of the best individual and team performances from each of the sports being played this spring - *baseball/softball, golf (boys and girls), lacrosse (boys and girls), tennis (boys and girls), track (boys and girls), and boys volleyball.*

With so many spring sports in season, we have decided to break the spring notebooks into five separate documents. We will also list the top 5 accomplishments from the week's action.

This edition includes contests from Monday, April 19, 2021, through Sunday, April 25, 2021. The goal will be to publish these notebooks each Tuesday through the league playoffs.
