SOUTHERN CONNECTICUT CONFERENCE

WHAT IS THE SCC?

Established in 1994, the Southern Connecticut Conference enters its 26th year of existence in 2019–20 with 23 full member schools and nearly 23,000 students. Since the league's formation in 1994-95, SCC teams have won 464 state championships – an average of 19 per academic year.

FOOTBALL SUCCESS

Since 1994, SCC football schools have made 41 appearances in state championship games, winning 30 titles. There have been three All-SCC matchups in state finals -- most recently, 2014 when Xavier bested Shelton, 28-27, in overtime in the Class LL Small Final. Fifteen (of the league's 19 full member schools) SCC teams have qualified for the state playoffs since the league's formation in 1994.

BASSICK/HARDING - ASSOCIATE MEMBERS

Bassick and Harding joined the SCC as associate members for football in

2017. The two Bridgeport-based schools had played in the Constitution State Conference. Earlier this summer, the two schools confirmed they will continue to participate in the league for the 2019 and 2020 seasons.

REALIGNMENT

In 2016, the SCC realigned its football divisions and will, again, utilize a three-tier format in 2019. Since 2004, the league had used a four-divisional format. In 2019, SCC teams will play a majority of their tier opponents, and then have crossover games in the other tiers as deemed appropriate by the league's scheduling committee. This divisional alignment will be reviewed at the conclusion of the 2019 season. Here is the tier alignment:

TIER 1: Daniel Hand, Fairfield Prep, Notre Dame, North Haven, Shelton, West Haven, Xavier

TIER 2: Amity Regional, Cheshire, Harding, Hamden, Hillhouse, Sheehan, Wilbur Cross

TIER 3: Bassick, Branford, East Haven, Foran, Guilford, Jonathan Law, Lyman Hall

CLASSIFICATION

The 21 teams in the SCC are classified in each of the state's four divisions.

CLASS LL (8): Amity Regional, Cheshire, Fairfield Prep, Hamden, Harding, Shelton, West Haven, Wilbur Cross

CLASS L (7): Bassick, Daniel Hand, Guilford, Hillhouse, Notre Dame, North Haven, Xavier

CLASS M (5): Branford, East Haven, Foran, Jonathan Law, Lyman Hall

CLASS S (1): Sheehan

WELCOME

There are two new head coaches in the SCC: Desmond Lymon (Bassick), who was former standout player at West Haven HS, and Anthony Salvati (Guilford).

TENURE TRACK

North Haven's Anthony Sagnella is the SCC's most-experienced coach (23rd year at North Haven, 27th overall). In fact, just seven of the league's 21 current head coaches have 10+ years of head coaching experience.

CONNECTICUT HIGH SCHOOL FOOTBALL ALLIANCE

Eighty-four teams representing five Connecticut high school football leagues will participate in the Connecticut High School Football Alliance, scheduling a total of 99 games in the 2019 season. This is the third year the Alliance has scheduled football games. Twenty-one teams from the SCC along with 12 from the South-West Conference and seven from the Eastern Connecticut will participate. For 2019, the Central Connecticut Conference (32 teams) and the FCIAC (12 teams) have joined the Alliance. A majority of the Alliance matchups will take place in weeks two (Sept. 20), three (Sept. 27), six (Oct. 18) and seven (Oct. 25) of the 2019 season. There will also be games held in weeks one (Sept. 13), five (Oct. 11), eight (Nov. 1) and 11 (Nov. 22).

A HISTORICAL SCC FOOTBALL TIMELINE

The following timeline of football events is taken from the SCC Historical Timeline which is available at www.southerncon-necticutconference.org/about-the-scc/history

SUMMER 1991 – A committee of five superintendents, led by chairman and Wallingford superintendent Joe Cirasuolo, begin to explore the possibility of a forming a super conference in the New Haven area. Members of the committee included John Onofrio (West Haven), Dave Shaw (Hamden), Steve Gordon (Bethany-Orange-Woodbridge) and Gene Coppola (Seymour). The impetus for these discussions was the plight of four area high schools who were forced to travel substantial distances in order to have a full sports schedule. Other concerns were raised including the changing size of student enrollment in area high schools and racial/ethnic isolation.

March 10, 1992 – A meeting was held at Carrigan Middle School in West Haven with area superintendents to discuss a proposal for a super conference. Thirty-two high schools were contacted about potential interest.

OCTOBER 1992 – Jim Benanto, athletic director at Shelton High School, agrees to chair a Planning Group to develop proposals about the mega conference, specifically divisional formats.

January 19, 1993 – Twenty-seven schools attend a meeting hosted by Peter Young, executive director of ACES, with the purpose of reviewing proposals for the mega conference.

May 13, 1993 – Twenty-one schools attend a meeting, led by Shelton athletic director Jim Benanto, to discuss and finalize proposal of a mega conference to area superintendents and principals. The conference would be divided into three divisions and three different scheduling formats are proposed for sponsored sports. The consensus philosophy for scheduling in this mega conference is developed – creating fair, equitable and complete schedules – for all member schools.

OCTOBER 5, 1993 – A working meeting is held at ACES to formulate three working committees – constitution, scheduling and non-athletic concerns – for the new regional athletic conference.

OCTOBER 7, 1993 – Seymour is officially invited to join the Naugatuck Valley League making it the only existing Housatonic League school not to move to the new mega conference.

OCTOBER 21, 1993 – The still unnamed mega conference holds a meeting to compile schedules for the 1994 fall sports season.
