TABLE OF CONTENTS

WELCOME

Welcome to the 2021 edition of the Connecticut high school football record book, a collaborative not-for-profit venture, to provide reliable information about scholastic football in Connecticut and to provide perspective on the achievements of today's athletes, teams and coaches.

The record book is always a work in progress. Information comes from current and former sports writers, coaches, team statisticians and submissions from you.

The book includes records of schools that belong, or previously belonged, to the Connecticut Interscholastic Athletic Conference (CIAC). We do recognize varsity games that Connecticut schools play against non-CIAC members and out-of-state schools.

One of the sources of information is MaxPreps, the official statistician for the CIAC. This project is independent of the CIAC and MaxPreps. The editor considers multiple sources when gathering information or deciding on submissions for the record book.

To the extent possible, the record book uses figures compiled in accordance with the statistical manual of the National Federation of State High School Associations, which is derived from the NCAA's manuals that cover compiling statistics for football games. NFL rules for statistics do not apply for high school games.

This record book project was launched in 1997 by the late Bohdan "Bo" Kolinsky, a long-time scholastic sports editor of the Hartford Courant, and Tim Sullivan, then offensive coordinator at Weaver High School in Hartford, and in recent years a Hartford school administrator. After Bo's death in 2003, the late Bob Barton and Gerry deSimas, Jr., took over the record book incorporating their own research and that of the late John Ryan of North Haven, a pioneer historian of Connecticut scholastic football.

If you have information that belongs in the record book, please contact the editor. Please include your name, a telephone number and e-mail address. Submissions are more likely to be accepted if you provide a source.
