State Championships

It was another successful year as SCC member-schools fared extremely well in league and state-wide competition... All told, SCC teams captured 20 state championships (8 fall, 8 winter, 4 spring) during the 2005-06 academic year... Twenty-three additional teams (9 fall, 6 winter, 8 spring) earned runner-up status in CIAC state competition... Since the league's inception in 1994, SCC schools have now won 239 state championships.

Amity Wins "4"

Amity won a league-best four state championships in 2005-06... Three other schools (Branford, Hand, and Cheshire) each won three.

Did you know?

In the 12 years of the SCC, Cheshire has won the most state titles of any member school (47).

The Best of the Best!

You can make a very good argument for the overall strength of the SCC when you look at the final state rankings of pretty much every sport... However, to have the "best team" is even more impressive...

FOOTBALL – Xavier is Tops!

Xavier finished as the top-ranked team in all three final state high school football polls... The Falcons (12-0), who captured the SCC Division I West title, defeated Southington, 45-30, in the Class LL championship game. It is Xavier's first state title since joining the SCC in 1994... It is the second straight season that a SCC school earned the consensus number-one ranking (Hand, 2004)... West Haven, the SCC Division I East champion and Class LL semifinalist, and Hand, the three-time defending Class M champion, also were ranked in the top ten in all three polls.

BOYS BASKETBALL - The "House" is Back!

In the final state boys' basketball polls, the SCC and Division I champion Hillhouse (27-0) was the *consensus* choice as the top team in the state... The Academics defeated East Catholic, 81-43, in the Division I finals... Fellow SCC members Xavier (18-7), who lost to Hillhouse in the Division I semifinals, Wilbur Cross (20-4) also made the top ten.

BASEBALL – A Spartan Effort!

In the final state baseball polls, the SCC and Class LL champion Amity (25-2) was the choice as the top team in the state... Amity is the first SCC team since Notre Dame (2000) to be voted the top team in Connecticut... Fellow SCC member and Class L champion Branford (18-8) also made the top ten and SCC runner-up and Class LL quarterfinalist Xavier (17-9) also received votes.

Who Do You Root For?

Because of the overall success and depth of the SCC, many times league schools have to square off in CIAC playoff competitions... In 2005-06, there were three CIAC championship games pitting SCC schools against one another... In the fall season, there were two All-SCC championship games... In field hockey, the Class M final pitted Branford and Hand with the Hornets prevailing, 1-0... In football, Hand and Hillhouse met in the Class M final with the Tigers winning, 34-0... Finally in the spring, Mercy met Amity – a rematch of the SCC championship game two weeks earlier – in the Class LL softball final with the Tigers winning, 4-1.

Xavier Wins Walter Camp Award

Xavier High School of Middletown, which was ranked No. 1 in the New Haven Register, New London Day, and Hartford Courant season-ending polls, was the Walter Camp Football Foundation's choice to receive the Joseph W. Kelly Trophy, which is awarded annually to Connecticut's top high school football team... Xavier captured the SCC Division I West title on its way to a perfect 12-0 record and the Class LL state championship... Xavier had previously defeated Trumbull, 20-7, in the semifinals...

The SCC Kelly Trophy?

Since 1994, six SCC teams have earned the Kelly Trophy from the Walter Camp Football Foundation.

Cheshire - 1994 and 1995

Hand - 1997, 2004

West Haven - 2002

Xavier - 2006

Change is Good

Several sports incorporated some changes in their postseason tournament formats in 2005-06... All told, the changes allowed for The SCC baseball tournament increased from four to six teams, while the softball tournament expanded from four to eight teams... After several years of having Division I and II postseason tournaments, boys lacrosse held an eight-team playoff that decided one SCC champion.

SCC Football Divisional Structure Didn't Change

The current four-division format for football, introduced starting with the 2004 season, was evaluated after a proposed two-year scheduling cycle... However, the Scheduling Committee, chaired by Guilford athletic director Chip Dorwin, announced that there will be no changes in the football divisional structure for the 2006 and 2007 seasons...

Based on the committee's research and discussion, there was not a compelling reason to switch any teams... In the two seasons of four-division play, eight different schools have won or shared division titles...

The SCC is also coming off its best football season in 2005 as a record-five teams earned berths in the 2005 CIAC playoffs and three won state titles (Hand, Xavier and Branford).

Balance is Good

In the two years of the four-divisional format for football, eight teams have either won or tied for a divisional title... Xavier (Div. I West), West Haven (Div. I East), Hand (Div. I East), Branford (Div. II West), Hillhouse (Div. II West), Derby (Div. II East), Sheehan (Div. II East), and Foran (Div. II East).

Tennis Holds Playoff for First Time

The SCC held its first-ever postseason tournament for boys and girls tennis in 2006... The format was a four-team, single-elimination tournament between the four regular-season division champions and Cheshire (girls) and Amity (boys) emerged victorious... With the addition of the boys and girls tennis playoffs, the SCC now hosts postseason tournaments for 23 of its 26 interscholastic sponsored sports.
