SCC Divisional Standings — Tiebreaker Rules

The following tiebreaker rules apply when two or more teams are tied in divisional standings. Tiebreakers are applied in order until the tie is broken.

Important: Only the first meeting between same-division opponents counts as a Division Game and is used in standings and all tiebreaker calculations. Rematches count toward overall record only.

1. Head-to-Head

The result of the divisional counting game (first meeting only) between the tied teams determines the higher seed. If the tied teams did not play each other, proceed to the next tiebreaker.

2. Record vs. Division Opponents

Compare each tied team's record against division opponents, beginning with the highest-ranked team in the standings and working down until one team holds a clear advantage.

3. Goal Differential in Division Counting Games

The cumulative goal differential (goals scored minus goals allowed) across all divisional counting games is calculated. The team with the higher goal differential receives the higher seed.

4. Lot Drawn by SCC Commissioner

If teams remain tied after all of the above tiebreakers are applied, the tie shall be broken by lot as drawn by the SCC Commissioner.

These rules govern seeding for the SCC Tournament and divisional standings throughout the regular season.
